FINANCE COMMITTEE. There was a meeting of the Finance Committee after the Council meeting. The Colonial Secretary presided.

The CHAIRMAN said there was only one question before the Committee. Most members would recollect that in 1887 there was a very serious fire in Queen's Road, on which occasion a wall fell and a young constable, a very efficient fireman named Stephen Fox, was killed. Some time afterwards an application was made ou behalf of the parents, who were in poor circumstances. This was referred to the Secretary of State, who caused enquiries to be made by the vicar of the parish in which Fox's father lived, and the result of these enquiries was that the father was found to be in vary ill health and the mother an invalid and Fox had been in the habit of remitting some money to them. The Governor following a precedent of 1882, recommended that asum of £100 or \$480 be voted to them. The vote was passed and the Committee then
